News Release for: Fontaine® International  
Release Date: March 2007

## **AARON PUCKETT NAMED OEM BUSINESS MANAGER FOR FONTAINE INTERNATIONAL SERVING VOLVO AND MACK**

IRONDALE, ALABAMA -- Fontaine International, the recognized technology leader in the fifth wheel industry, has announced that Aaron Puckett has been promoted to the position of OEM Business Manager (Volvo and Mack).

Aaron joined Fontaine Truck Equipment in 1991 working in the fabrication shop. During his college years, at the University of Alabama in Birmingham, he had the honor of working for Kelly Dier, President of Marmon Highway Technologies, as a management trainee. In 1994 he was hired by Fontaine International as a Quality Facilitator. Since that time he has worked in various capacities gaining a depth of experience that uniquely qualifies him for his present position, including: Warranty Administrator, Customer Service Manager, Product Manager, Regional Sales Manager and OEM Account Manager for Fontaine's Volvo and Mack business.

For more information, contact Ward Kolpack, Fontaine International,  
5000 Grantswood Road, Suite 200, Irondale, Alabama 35210.  
Phone: 800-874-9780. Fax: 205-421-4400. [www.fifthwheel.com](http://www.fifthwheel.com).

---end---

Fontaine is a Marmon Highway Technologies company. Marmon Highway Technologies companies support the transportation industry worldwide with a wide range of high quality products and services.

Marmon Highway Technologies companies are members of The Marmon Group, an international association of more than 125 business units that operate independently within diverse business sectors. Member companies employ 21,500 people and operate more than 250 production facilities primarily in North America, the United Kingdom and China. Collective revenues exceeded \$5.9 billion in 2005. Forbes magazine ranked The Marmon Group 26th on its 2005 list of the largest private companies in the United States.
