

Introducing the
SLTPL7000JR

The Genuine Fontaine Jost* Replacement
top plate that fits existing Jost mounts

FONTAINE[®]
FIFTH WHEEL

*It's the ultimate upgrade built on an
OEM CAST STEEL foundation*

We listened to customers and the research data is clear

Fontaine's No-Slack® reliability—

Jost fifth wheel users want a genuine Fontaine replacement top plate that fits the existing Jost mounts.

You want strength and durability—

We delivered an OEM manufactured upgrade on reliable cast steel.

You want EASY installation—

We delivered direct mounting that fits existing Jost brackets.

You want simplified maintenance—

We delivered faster pin removal for quick upgrades and repairs.

You want easy parts management—

We delivered a design that uses the same jaw and wedge repair kit that you already have in stock for No-Slack® fifth wheels... **KIT-RPR-6000L**.

You want a turnkey solution—

We delivered manual and air-actuated options plus full repair kits.
