Fontaine Fifth Wheel Honored as a Penske Truck Leasing Supplier of the Year

JASPER, ALABAMA -- Fontaine Fifth Wheel was named by Penske Truck Leasing as a **Best Performing Supplier of the Year - Components** during the company's recent Supplier Conference in Frisco, Texas. These awards are given every other year. The qualifications include a survey of Penske field service locations, corporate feedback, and a supplier scorecard.

Paul Rosa, senior vice president procurement and fleet planning, Penske Truck Leasing: “Congratulations to Fontaine Fifth Wheel for being named a **Best Performing Supplier of the Year - Components**. Our customers, which are comprised of fleets both small and large, rely on Penske to provide them with the most efficient uptime. Our top suppliers are so instrumental in allowing our company to provide great services.”

Gregg Mangione, executive vice president maintenance, Penske Truck Leasing: “With one of the industry's largest fleets, it is imperative that our vehicle manufacturers, and parts and service suppliers, provide Penske with consistent and reliable services. Congratulations to Fontaine Fifth Wheel being recognized as a best-of-the-best Penske supplier.”

Aaron Puckett, senior vice president, new business development, Fontaine Fifth Wheel: “We are honored to be recognized by Penske Truck Leasing as a **Best Performing Supplier of the Year - Components**. This recognition is a testament to the dedication of the entire Fontaine Fifth Wheel team and our shared commitment with Penske to deliver reliable, high-performance solutions that help maximize fleet uptime. We greatly value our partnership with Penske and are proud to support the success of one of the transportation industry's most respected organizations.”
